

avec le service Gnudip

GnuDip

Retour Réseau

DHCP NAT/PAT DNS UPnP DynDNS DMZ NTP IPv6

Le service DynDNS permet d'attribuer un nom de domaine et d'hôte fixe, facile à mémoriser, à une adresse IP statique ou dynamique ou à une longue URL.

Utile, par exemple, si vous hébergez un site web ou un serveur FTP derrière votre Livebox pour le retrouver facilement (nom de type monserveur.dydns.org).

dyndns [Enregistrer](#)

Service	Nom d'hôte/de domaine	Email utilisateur	Mot de passe	Mise à jour
GnuDIP	castellab.ddnsfree.com	castellab	*****	19/02/2024 07:01

Dynu {d}DNS Créer un compte | Connexion FRANÇAIS

Accueil / DNS / IP Update Client / **GnuDIP**

Both TCP and HTTP based GnuDIP is fully supported. Routers supporting GnuDIP IP update as well as any GnuDIP based IP update clients may be used to make full use of this functionality.

GnuDIP TCP Server: `gnudip.dynu.com`
GnuDIP TCP Port: 3495

GnuDIP HTTP URL: `http://gnudip.dynu.com/gnudip/cgi-bin/gdipupd.t.cgi`
GnuDIP HTTP Ports: 80, 8245

One example of the use of HTTP based GnuDip is HUAWEI HG533 router, you may refer to this page for configuration for HUAWEI HG533 router .

If you still have questions on the configuration, [contact](#) support with the screenshot of the Dynamic DNS section of your device with GnuDIP option.

- Operating System
- Multiple PlatForms
 - cURL
 - DDClient
 - DDClient (MAC OS X)
 - GnuDIP
 - NSUpdate
 - Wget
- Router/Firewall

The screenshot shows the 'Créer un compte' (Create account) page on the Dynu website. The header includes the Dynu logo, a search bar, and navigation links for DDNS, NOM DE DOMAINE, EMAIL, SERVICES, ASSISTANCE, and RESSOURCES. The main content area features a registration form with fields for Prénom, Nom, Nom d'utilisateur (containing 'castellab'), Mot de passe, and Adresse e-mail. There are also checkboxes for 'Je ne suis pas un robot' and 'Se souvenir de moi'. Social login options for GitHub and Google are available. A disclaimer on the right states that personal information is not shared and that users agree to the terms of service. At the bottom, there are links for 'Connexion', 'Réinitialiser le mot de passe', and 'Renvoyer mail de vérification'.

The screenshot shows the 'Connexion' (Login) page on the Dynu website. The header is identical to the registration page. The main content area features a login form with fields for 'Nom d'utilisateur ou adresse e-mail' (containing 'castellab') and 'Mot de passe'. There is a checkbox for 'Se souvenir de moi' and social login options for GitHub and Google. At the bottom, there are links for 'Créer un compte', 'Réinitialiser le mot de passe', and 'Renvoyer mail de vérification'.

The screenshot shows the 'Espace Client' (Client Dashboard) on the Dynu website. The header includes the Dynu logo, a search bar, and navigation links. The main content area displays a grid of service icons: Adhésion, Mon compte, Certificat API, DNS Services, Domaine Enregistrements, Email Services, SSL Certificats, Basculement DNS, Privé Virtuel Servers, Tickets de soutien, Téléchargements, Tutoriels, FAQs, Communauté, Outils de réseau, and Feedback. A 'Déconnexion' (Logout) button is located in the top right corner. The user is identified as 'Connecté en tant que castellab de l'adresse IP 82.127.114.129'.
